Re: *Ironshore Specialty Insurance Company v. Tractor Supply Company, Tractor Supply Company of Texas, L.P., and Safety National Casualty Corporation*; 6:13-cv-00269; U.S. District Court for the Western District of Texas, Waco Division

Dear Judge Smith:

On behalf of Defendant Safety National Casualty Corporation, I am notifying the Court of the Waco Court of Appeals' decision issued yesterday in the State Court lawsuit made the basis of Plaintiff Ironshore Specialty Insurance Company's request for declaratory judgment in the above-referenced lawsuit. I am attaching a copy of the Court of Appeals' decision. The Waco Court of Appeals reversed the trial court judgment and rendered judgment that Plaintiff take nothing from Tractor Supply in the underlying State Court lawsuit.

Currently pending before this Court are the parties' cross-motions for summary judgment (Doc. Nos. 44, 70, 72, 75 & 77) with regard to liability for any judgment against Tractor Supply in the underlying State Court lawsuit. In light of the Waco Court of Appeals' decision, we believe at this time the issues raised by Ironshore in this lawsuit and the subject of the parties' cross-motions for summary judgment in this matter are all moot.

Very truly yours,

*Paul A. Bezney*
